

PaceSetter

Not just for Sport Compacts

From Cobalts and Civics to Camaros and Mustangs, PaceSetter designs and manufactures the most affordable performance headers you can buy. CNC-machined, port matched flanges and mandrel-bent 16-gauge steel tubing insure a great fit and a long life!

Every PaceSetter Performance Header and Quik Trip Long Tube Header is available with ARMOR*Coat, our polished 2000 degree coating.

PaceSetter Headers are proudly made in the USA!
